# Have You Ever Really Loved a Woman

Höfundur lags: Bryan Adams Höfundur texta: Michael Kamen Flytjandi: Bryan Adams

**Eb Cm D**

To really love a woman, to understand her  
 you've got to know her deep inside.  
 Hear every thought - see every dream,  
 and give her wings when she wants to fly.  
 Then when you find yourself  
 lying helpless in her arms,  
 you know you really love a woman.

When you Love a woman you tell her  
 that she's really wanted  
 When you Love a woman,  
 you tell her that she's the one.  
 she needs somebody to tell her  
 that it's gonna last forever,  
 So tell me, have you ever really,  
 really, really ever loved a Woman?

To really love a woman,  
 let her hold you 'til you  
 'till you how she needs to be touched.  
 You've got to breathe her, really taste her  
 'til you can feel her in your blood.  
 And when you can see your  
 unborn children in her eyes.  
 You know you really love a woman.

When you Love a woman you tell her  
 that she's really wanted  
 When you Love a woman,  
 you tell her that she's the one.  
 Cus she needs somebody to tell her  
 that you'll always be together  
 Tell me, have you ever really,  
 really, really ever loved a Woman?

You've got to  
 give her some faith, hold her tight, a little  
 tenderness, You've gotta treat her right.  
 She will be there for you, taking good care of  
 you. Ya really gotta Love your Woman, yeah

And when you  
 find yourself lying helpless in her  
 arms, you know you really  
 Love a woman

When  
 You Love a woman you tell her  
 that she's really wanted  
 When you Love a woman,  
 you tell her that she's the one.  
 She needs somebody to tell

There is a house in New Orleans,  
 They call the Rising Sun,

And it's been the ruin of many a poor boy,  
 And God, I know I'm one.

My mother was a tailor,  
 She sewed my new blue jeans.  
 My father was a gambling man,  
 Down in New Orleans.

And the only thing a gambler needs,  
 Is a suitcase and a trunk,

And the only time he's satisfied,  
 Is when he's all a-drunk.

I've got one foot on the platform,  
 The other foot on the train.  
 I'm going back to New Orleans,  
 To wear the ball and chain.

So mothers, tell your children,  
 Not to do what I have done.

Spend your life in sin and misery,  
 In the House of the Rising Sun.

# My Way

Höfundur lags: Claude Francois Höfundur texta: Paul Anka Flytjandi: Frank Sinatra

**C**                      **Em**  
 And now, the end is near  
          **Gm6**                      **A7**  
 and so I face the final curtain.  
          **Dm**                      **Dm7**  
 My friend, I'll say it clear  
                                  **G7**                      **C**  
 I'll state my case of which I'm certain.  
                                  **C7**                      **F**                      **Fm**  
 I've lived a life that's full, I travelled each and every highway  
          **C**                      **G7**                      **F6 C**  
 And more, much more than this, I did it my way.

**Dm7**                      **G7**  
 To say the things, he truly feels,  
                                  **Em7**                      **Am**  
 And not the words of one who kneels.  
                                  **Dm7**                      **G7**  
 The record shows, I took the blows,  
                                  **F6 C**  
 And did it my way.

**C**                      **Em**  
 Regrets, I've had a few,  
          **Gm6**                      **A7**  
 but then again too few to mention.  
          **Dm**                      **Dm7**  
 I did what I had to do  
                                  **G7**                      **C**  
 and saw it through, without exemption.  
                                  **C7**                      **F**                      **Fm**  
 I planned each charted course each careful step, along the byway  
          **C**                      **G7**                      **F6 C**  
 And more, much more than this, I did it my way.

**C7**  
 Yes there were times, I'm sure you knew,  
          **F**  
 When I bit off more than I could chew  
                                  **Dm7**                      **G7**  
 But through it all, when there was doubt  
          **Em7**                      **Am**  
 I ate it up, and spit it out,  
          **Dm7**                      **G7**  
 I faced it all, and I stood tall,  
          **F6 C**  
 And did it my way.

**C**                      **Em**  
 I've loved, I've laughed and cried,  
          **Gm6**                      **A7**  
 I've had my fill, my share of losing.  
          **Dm**                      **Dm7**  
 And now, as tears subside,  
          **G7 C**  
 I find it all so amusing.  
                                  **C7**                      **F**                      **Fm**  
 To think, I did all that, and may I say, "Not in a shy way",  
          **C**                      **G7**                      **F6 C**  
 Oh no no, oh no not me, I did it my way

**C7**  
 For what is a man, what has he got,  
          **F**  
 If not himself, then he has not,

Loving can hurt, loving can hurt sometimes  
 But it's the only thing that I know  
 When it gets hard, you know it can get hard sometimes  
 It is the only thing that makes us feel alive

We keep this love in a photograph  
 We made these memories for ourselves  
 Where our eyes are never closing, hearts are never broken  
 And time's forever frozen still

So you can keep me  
 Inside the pocket of your ripped jeans  
 Holding me closer 'til our eyes meet  
 You won't ever be alone, wait for me to come home

Loving can heal, loving can mend your soul  
 And it's the only thing that I know, know  
 I swear it will get easier, remember that with every piece of y  
 And it's the only thing we take with us when we die

We keep this love in this photograph  
 We made these memories for ourselves

Where our eyes are never closing, hearts are never broken  
And time's forever frozen still

So you can keep me  
Inside the pocket of your ripped jeans  
Holding me closer 'til our eyes meet  
You won't ever be alone

And if you hurt me  
That's okay baby, only words bleed  
Inside these pages you just hold me  
And I won't ever let you go  
Wait for me to come home  
Wait for me to come home  
Wait for me to come home  
Wait for me to come home

You can fit me  
Inside the necklace you got when you were sixteen  
Next to your heartbeat where I should be  
Keep it deep within your soul  
And if you hurt me  
Well, that's okay baby, only words bleed  
Inside these pages you just hold me  
And I won't ever let you go

When I'm away, I will remember how you kissed me  
Under the lamppost back on Sixth street  
Hearing you whisper through the phone,  
"Wait for me to come home."

You've got the words to change a nation  
 but you're biting your tongue  
 You've spent a life time stuck in silence  
 afraid you'll say something wrong  
 If no one ever hears it how we gonna learn your song?  
 So come on, come on  
 Come on, come on

You've got a heart as loud as lions  
 So why let your voice be tamed?  
 Baby we're a little different  
 there's no need to be ashamed  
 You've got the light to fight the shadows  
 so stop hiding it away  
 Come on, Come on

I wanna sing, I wanna shout  
 I wanna scream till the words dry out  
 so put it in all of the papers

Höfundur lags: Tills Wilkins Höfundur texta: Ólafur Gaukur Þórhallsson Flytjandi: Scott J. Simon ásamt fleirum.

Hann sigldi út um höfin blá í 17 ár  
 og sjómennsku kunni hann upp á hár,  
 Hann saknaði alla tíð stúlkunnar  
 og mynd hennar stöðugt í hjarta hann bar.

Ó, María mig langar heim.

Ó, María mig langar heim.

Því heima vil ég helst vera.

Ó, María hjá þér.

Í höfnum var hann hrókur mikils fagnaðar  
 hann heillaði þar allar stúlkurnar  
 en aldrei hann meyjarnar augum leit  
 það átti ekki við hann að rjúfa sín heit.

Ó, María mig langar heim.

Ó, María mig langar heim.

Því heima vil ég helst vera.

Ó, María hjá þér.

Loks kom að því, hann vildi halda heim á leið  
 til hennar sem sat þar og beið og beið  
 hann hætti til sjós, tók sinn hatt og staf  
 og heimleiðis sigldi um ólgandi haf.

Ó, María mig langar heim.

Ó, María mig langar heim.

Því heima vil ég helst vera.

Ó, María hjá þér.

En fleyð bar hann aldrei heim að fjarðarströnd.

Hann siglir ei lengur um ókunn lönd.  
 En María bíður og bíður enn  
 Hún bíður og vonar hann komi nú senn.

Það rofar til inní mér  
og lífið tekur lit  
Veit nú hvað gefur mér mest,  
og tilverunni glit.  
Aldrei var sólin svo skær  
né fugla fegurri hjóð.  
Mér finnst ég skilja í dag  
öll heimsins ástarljóð.

Þú fullkomnar mig.  
Ég finn að ég er annar en ég var.  
Þú ert við spurnum mínum lokasvar.  
Þú lyftir mér upp, lýsir mér leið.  
Ég vegsama þig.  
Og vonir mínar bind ég aðeins þér.  
Í blíðu jafnt sem stríðu fylgdu mér  
í huga og hér, ævinnar skeið.

Liðið er grafið og gleymt  
og raunir frá í gær.  
Loksins ég veit uppá hár  
hvað hjartað í mér slær.  
Og þó að ég ferðist um lönd,  
þú ert mín heimahöfn.  
Norðljósinn skrifa í kvöld  
í hvolfið okkar nöfn.

Þú fullkomnar mig.  
Ég finn að ég er annar en ég var.

Þú ert við spurnum mínum lokasvar.  
Þú lyftir mér upp, lýsir mér leið.  
Ég vegsama þig.  
Og vonir mínar bind ég aðeins þér.  
Í blíðu jafnt sem stríðu fylgdu mér  
í huga og hér, ævinnar skeið.
