Song by: Paul Simon Lyrics by: Paul Simon Artists: Paul Simon

**CF Dm G7 C Dm**

**G7 C Cmaj7 C7 F**  
 When I think back on all the crap I learned in high school  
**Dm G7 C Dm**  
 It's a wonder I can think at all.  
**G7 C Cmaj7 C7 F**  
 and though my lack of education hasn't hurt me none.  
**Dm G7 C C7**  
 I can read the writing on the wall

**F A7 D7**  
 Kodachro - oh - ohme  
**Gm C**  
 They give us those nice bright colors,  
**F Bb**  
 they give us the greens of summers  
**G C F A D**  
 makes you think all the worlds a sunny day oh, yeah  
**Gm C**  
 I got a Nikon camera  
**F Bb**  
 I love to take a photographs  
**G7 C F Am Dm Gm**  
 so momma, don't take my kodachrome away

**C Cmaj7 C7 F**  
 If you took all the girls I new when I was single  
**Dm G7 C Dm**  
 and brought em all together for one night  
**G7 C Cmaj7 C7 F**  
 I know they never match my sweet imagination  
**Dm G7 C C7**  
 and everything looks worse in black and white
